## SUPPLEMENTAL PHOTO PAGES

Include no more than six single-sided pages of images that adequately document the property and project. Photos can be smaller than 4 x 6 but should be of good quality (not dark, blurry, pixelated or very small.) Label and date every image. See Instructions, last page, for a sample of how to include and format your photographs. Use this form to attach your images and use the text boxes underneath each image holder to enter captions.
