I. OVERVIEW

The purpose of the Employees' Sick Leave Bank Program (SLB Program) is to provide paid leave to cover a portion of an eligible employee's lost time from work due to the employee's own serious health condition or parental and other family-related caregiving responsibilities. The SLB Program may be used by an employee for reasons covered by the Maryland Organ Donation Act or the Family Medical Leave Act (FMLA). SLB Program benefits are available to eligible Merit System employees, who have enrolled in the program and have exhausted all accrued leave balances, except for 80 hours of annual leave. SLB Program members may also request benefits to care for an eligible seriously injured or ill immediate family member, as described in these Procedures.

II. MEMBERSHIP ELIGIBILITY

Merit System employees and appointed positions are eligible to participate in the SLB Program.

The following employees are not eligible to enroll in the SLB Program:

- A. Employees who participate in the Municipal and County Government Employees' Organization (MCGEO) union's Sick Leave Donor Program. These employees may not participate in both the agency's and the MCGEO's programs at the same time.
- B. Employees represented by the Fraternal Order of Police (FOP), as they have their own SLB Program.

III. BENEFITS OF PROGRAM AND QUALIFYING EVENTS

The SLB Program will cover eighty percent (80%) of a full-time employee's regularly scheduled hours, up to an annual maximum. For part-time employees, SLB Program hours will be given based on a twenty (20)-hour maximum workweek, regardless of the number of hours scheduled to work.

The SLB Program may be used for the following qualifying events:

A. Employee's Own Serious Medical Condition

For an employee's own serious medical condition:

- A full-time employee may receive up to six hundred and eighty-eight (688) hours each calendar year.
- A part-time employee may receive up to three hundred and forty-four (344) hours each calendar year.

A licensed medical practitioner must certify that the employee is unable to work.

III. BENEFITS OF PROGRAM AND QUALIFYING EVENTS (CONTINUED)

B. Parental Responsibilities

For parental responsibilities:

- A full-time employee may receive up to four hundred and eighty (480) hours each calendar year.
- A part-time employee may receive up to two hundred and forty (240) hours each calendar year.

For purposes of this policy, parental responsibilities are defined as either parent's involvement within the first 12 months following:

- Birth of a child;
- Adoption of a child; or
- Foster placement of a child.

For purposes of adoption and foster placement, a child shall be defined consistent with Maryland state laws government adoption and foster placement.

C. Immediate Family Member's Serious Medical Condition

For the serious medical condition of an employee's family member:

- A full-time employee may request to receive up to one hundred sixty (160) hours per calendar year..
- A part-time employee may request up to eighty (80) hours per calendar year.

For purposes of these Procedures, an immediate family member includes an employee's spouse, domestic partner (as qualified under the Commission's Health and Benefits Program), parent, or child up to the age of twenty-six (26) (older if disabled).

SLB Program hours used for parental responsibilities and to care for an immediate family member are in addition to those available to the employee for their own serious medical condition.

D. Intermittent Use of Benefits and Long-Term Disability Eligibility

Use of the SLB benefits may be approved for a continuous or an intermittent basis, depending upon the nature of a serious medical condition, as described in Section V(A), How to Submit a Claim for a Member's Own Serious Medical Condition. When use of SLB Program benefits is approved on an intermittent basis, the benefits must be used within 6 months.

Employees using the SLB Program for their own serious medical condition for sixty (60) calendar days or longer will be automatically reviewed for eligibility for Long-Term Disability (LTD) benefits; however, a member may not use SLB Program hours for more than one hundred twenty (120) calendar days.

- c. Membership becomes effective the first (1st) of the month, following receipt of the membership application, and remains in effect until terminated by the employee during any subsequent open enrollment period.

IV. ENROLLMENT IN THE PROGRAM (CONTINUED)

B. Required Leave Contributions

1. SLB Program members must make the following minimum contributions, which are deducted automatically at the time of enrollment and on an annual basis thereafter:
 - a. A full-time employee must contribute a minimum of eight (8) hours annually from their accrued sick leave balance, or annual leave balance, if there is an insufficient number of sick leave hours.
 - b. A part-time employee must contribute a minimum of four (4) hours annually from their accrued sick leave balance, or annual leave balance, if there is an insufficient number of sick leave hours.
2. Employee leave contributions will not be returned for any reason after the leave has been deducted from the employee's leave balance.

C. Automatic Re-enrollment and Ending Enrollment

1. All SLB Program members are automatically re-enrolled each year unless the member elects to end participation. A member may end their participation in the SLB Program only during the Open Enrollment Period.
2. To end participation, a member must use the SLB Program Membership Application check the appropriate box to end enrollment and submit the form to the Health and Benefits Office. Employees eligible to use the Employee Self Service system may end enrollment online during the annual open enrollment season.

V. HOW TO APPLY FOR BENEFITS

A. How to Submit a Claim for a Member's Own Serious Medical Condition

1. To submit a claim for a member's own serious medical condition, the employee or the employee's representative must call the Health and Benefits Office at 301-454-1694.
2. The Health and Benefits Office will provide the employee with instructions on how to file an application with the Third-Party Program Administrator (TPA). The employee or the employee's representative must contact the TPA to have their claim processed.
3. If eligible for Family Medical Leave Act (FMLA) benefits, the employee must also complete an FMLA form and submit it to his/her Department Head for approval. In such cases, Bank use will run concurrently with FMLA use. (For details on eligibility for FMLA, see: Merit System Rules and Regulations, Section 1640, Family and Medical Leave Status.) The FMLA form may be obtained from the Health and Benefits Office. The form can also be downloaded and completed online by visiting www.mncppc.org and entering "Employee Benefits Information" in the search bar and navigating to the SLB Program.

V. HOW TO APPLY FOR BENEFITS (CONTINUED)

4. Requests for medical documentation must be provided to the TPA within fourteen (14) calendar days after the request is made. Failure to provide requested medical information within fourteen (14) calendar days from the initial request date could result in a denial of benefits until the TPA receives the documentation.
5. The TPA will notify the Health and Benefits Office of approval to use SLB Program benefits from a start date to an end date for the member's serious medical condition. Approval may be given for either continuous or intermittent use, depending upon the nature of the serious medical condition and the determination of benefits.
 - a. Continuous Leave: SLB Program hours may be approved for a period during which the employee is not expected to return to work until all hours have been exhausted. In such cases, if the employee returns to work prior to exhausting all hours granted, the employee's SLB Program leave status will be re-evaluated.
 - b. Intermittent Leave: SLB Program hours may be approved for intermittent periods of time, for employees experiencing episodic health concerns requiring the use of benefits for short periods of time. In such cases, the employee may return to work before taking leave again and may continue this pattern until the hours awarded from the SLB Program have been exhausted. Intermittent use may not extend beyond six consecutive calendar months, even if the employee has not exhausted all SLB benefits. For example, an employee granted use of SLB Program benefits on an intermittent basis beginning January 1st must either use all hours/days granted by June 30th or risk termination of SLB Program benefits for the qualifying event.
6. The Health and Benefits Office will notify the employee's supervisor or the department's Human Resources (HR) Coordinator of the period of time during which the employee is approved for SLB Program use and instruct the supervisor (or the HR Coordinator) on coding the employee's time card with appropriate codes applicable to SLB Program use.
7. The Health and Benefits Office will also notify the Payroll Office of the employee's approval to use SLB Program hours and the time period for which the employee has been approved.
8. Long-Term Disability: The TPA will automatically identify and initiate a Long-Term Disability (LTD) benefit claim after sixty (60) calendar days of using the SLB Program for an employee's own serious medical condition.

B. How to Submit a Claim for an Immediate Family Member's Serious Medical Condition

Requests to use SLB Program hours for an employee's immediate family member's serious medical condition are handled in the same manner as those for an employee's own serious medical condition. However, the Health and Benefits Office will process the application instead of the TPA. The employee must complete an FMLA form and submit it to the Health and Benefits Office with the attending provider's certification form. (Note: Domestic partners must be certified by the Health and Benefits Office before benefits may be allowed.)

V. HOW TO APPLY FOR BENEFITS (CONTINUED)

C. How to Submit a Claim for Parental Responsibilities

Requests to use SLB Program hours for parental responsibilities are handled in the same manner as those for the care of a family member's own serious medical condition. The employee must complete an FMLA form and submit it to the Health and Benefits Office with the attending provider's certification form. For adoptions and foster care, the employee must furnish proof of the placement for the intended adoption or foster care of a child up to the age of 18, or older if disabled. The employee must also demonstrate they are primarily responsible for caring for the child.

VI. DONATING LEAVE TO THE PROGRAM UPON TERMINATION OF EMPLOYMENT

- A. Employees who plan to resign or retire from the agency may donate up to forty (40) hours of their accrued sick leave to the SLB Program. Employees do not need to be a SLB Program member to make such donations. Hours donated to the SLB Program will not be reinstated if the employee making the donation later returns to a Merit System position within the agency.
- B. To make a donation, terminating employees must complete a "Sick Leave Bank Donation Form," which can be obtained by calling the Health and Benefits Office or by visiting www.mncppc.org and entering "Employee Benefits Information" in the search bar and navigating to the SLB Program.
- C. Employees must submit a written request to the Health and Benefits Office at least fourteen (14) calendar days prior to their termination date.

VII. PROGRAM ADMINISTRATION

A. Health and Benefits Office, Department of Human Resources and Management

Administration of the SLB Program is the responsibility of the Health and Benefits Office in the Division of Human Resources, Department of Human Resources and Management. The Health and Benefits Office:

- 1. Ensures the total balance of hours held in the SLB Program are sustainable through ensuring that employees comply with the terms and conditions of these Procedures, monitoring the total number of hours donated to the SLB Program and used by participants, and recommending changes in annual contributions to the Commission, as needed.
- 2. Reviews or provides oversight of all requests to use SLB Program hours:

- 3. Ensures that SLB Program benefits are applied consistently with the determinations of coverage provided by the TPA.

VII. PROGRAM ADMINISTRATION (CONTINUED)

B. Third-Party Program Administrator

The Third-Party Program Administrator (TPA) is a vendor hired by the agency to review certain applications for SLB Program benefits for an employee's serious medical condition. The TPA:

1. Processes requests to use SLB Program hours for an employee's own serious medical condition, and
2. Provides the Health and Benefits Office with a determination of coverage for each request for SLB Program hours for an employee's own serious medical condition.

VIII. ADDITIONAL TERMS AND CONDITIONS

A. Coordination of SLB Program Benefits with Other Leave Benefits

1. Workers' Compensation

If an employee has been approved for use of SLB Program hours and has also been approved for Worker's Compensation, SLB Program benefits will be automatically terminated. If Workers' Compensation is approved retroactively, any SLB Program hours already used will be reversed in the payroll system and converted to Workers' Compensation.

2. Family Medical Leave Act (FMLA)

Should an employee qualify for leave status under FMLA, any SLB benefits will run concurrently with any time available under the FMLA. FMLA coverage is available to employees who have met the following minimum service and work hour requirements:

- 12 months of employment service with the Commission, not necessarily consecutive; and
- 1,250 hours worked during the 12-month period immediately preceding the start of the leave.

3. Other Types of Leave

If other types of accrued paid leave (e.g., annual or sick leave) have been used concurrently with SLB Program hours for any reason, SLB Program benefits will be reversed in the payroll system (i.e., deducted from the employee's other accrued paid leave time).

B. Prohibition Against Accruing Sick and Annual Leave While Receiving SLB Program Hours

An employee will not accrue sick or annual leave while the employee is on disability leave and using SLB Program hours.

C. SLB Program Hours Credited as Employee's Retirement System (ERS) Service Hours

Hours received from the SLB Program will count as creditable Employees' Retirement System(ERS) service.

VIII. ADDITIONAL TERMS AND CONDITIONS (CONTINUED)

D. Use of SLB Program Hours Considered as Leave-Without-Pay Hours

Hours used from the SLB Program will be concurrently considered Leave-Without-Pay Hours. These hours will count towards the Department's right to waive the employee's rights to the employee's position. These hours will also count toward the one year of leave-without-pay before an employee may be terminated.

E. Change in Workday Status

A SLB Program member who changes workday statuses from full-time to part-time or part-time to full-time status during the year will be able to use the SLB Program at the member's current workday status, regardless of the member's status at the time of the enrollment or leave contribution.

F. Required Regular Contact with Supervisor

The SLB Program member, or their representative, must maintain regular weekly contact with the employee and advise of any change in expected date of return to work, otherwise Bank benefits will be denied.
